

Dear Friend:

Representing over 340,000 public school teachers and education support professionals, the **California Teachers Association is proud to endorse Dominic Caserta for State Assembly.** I want you to know why Dominic is the most qualified, progressive Democrat in the race.

First, he knows education intimately. **Dominic Caserta has been a high school Civics, Economics and History teacher for more than a decade.**

Second, Dominic will be an innovative leader. He supports increasing technology in our classrooms and will push to expand career-tech programs and to make higher education **accessible and affordable** for students so they can thrive in the 21st century economy.

We can count on Dominic to protect our state education budget. **He will never vote for student fee increases or cuts to our schools.**

Dominic Caserta is committed to providing California students, teachers and schools with the resources they need to be the best in the nation once again. **Please join teachers in supporting Dominic Caserta for State Assembly on June 3.**

Sincerely,

David A. Sanchez  
President, California Teachers Association

P.S. Dominic Caserta has been elected twice to the Santa Clara City Council. Each year, the scholarship program he started gives public school students \$5,000 each toward college. It is this type of creative leadership and record of results we so desperately need in Sacramento.
