

Dear Friend:

My name is Dominic Caserta, and I'm a high school teacher, a Santa Clara City Council Member, and a fifth-generation resident of Santa Clara County. **I'm a progressive Democrat running to represent you in the State Assembly.**

I am proud to be an elected Democratic official who fights for quality education, affordable health care, a clean environment and good jobs.

I am the only candidate endorsed by the California Teachers Association

As a teacher, I am not only committed to fully funding public education, but also to making necessary changes. Not every student is destined for a U.C. or Stanford – we need to boost career-tech instruction and training so that all children, not just the college-bound, can find productive, rewarding work.

I am also the only Democratic candidate endorsed by the California Nurses Association.

Access to quality health care is also a priority of mine. I will fight for a comprehensive, universal system that stays with you regardless of employment status or pre-existing conditions. I will also work to make sure the products we use and the food we eat are safe.

Most important, my door will always be open to you – I believe the skill of listening, vital for a teacher, is equally important for a public official. **I respectfully ask for your vote on June 3.**

Sincerely,

A handwritten signature in blue ink that reads "Dom J Caserta".

Dominic Caserta
Democrat for State Assembly

P.S.: I'm honored to be supported by the **California Professional Firefighters** and **the Democratic Forum of Silicon Valley.**
